Good to know

- ✓ You don't need any prior experience, but you must be able to swim.
- ✓ You get all the rafting equipment at the starting point (wet suit, life jacket, helmet and shoes).
- ✓ There are no facilities (changing rooms or restrooms) at the starting point or while we are on activity. You can have your swimsuit already on you or you can change your clothes on the spot (open field). You are on the river approximately 1,5 hours.
- ✓ You don't have to jump into the water, if you don't want to.
- ✓ If you wear glasses or contact lenses, please tell us in advance.
- ✓ Let the guide know if you have any health issues. 
- ✓ The tour operates in most weather conditions. Except, in case of thunderstorms it might be postponed or cancelled.
- ✓ If you are under the influence of drugs or alcohol, you are not allowed to do rafting.
- ✓ The minimum age is 5 years.
- ✓ Not recommended for pregnant women.
- ✓ If you will meet us in Bled, please note that we do not have our own parking spots.
